## SPECIAL NEEDS

Guytel is your Go-To place for telephonic solutions for clients with special needs, whether it's devices that enhance hearing, help with vision, or other custom solutions.

An example of one such intuitive device is: The P300 amplified corded phone, by Clarity®, features Clarity Power™ technology to make sounds not only louder, but also clearer and easier to understand. Now with up to 26 decibels of amplification and programmable photo memory buttons, the P300™ is an ideal solution for those with mild-to-moderate hearing loss or low vision.

### FEATURES

- Clarity Power™ technology
- Amplifies incoming sound up to 26 decibels
- Nine programmable photo memory buttons
- Adjustable ringer pitch and volume control
- Bright visual ring indicator
- Extra loud ringer (75+ dB)
- Large, easy-to-use dial pad
- Desk or wall mount options
- Works even when the power is out
- Eco-friendly and energy efficient operation
- Hearing aid compatible

## EMERGENCIES

Among popular product we can provide there is the SCT-40 (shown right): Guardian's SCT-40 Indoor Industrial Steel Compact analog telephones with metal keypad and armored handset cord are engineered to provide reliable communications in moderately harsh environments, providing dependable, high quality communications where standard phones are not suitable. Ideal for noisy areas and a wide variety of industrial applications the SCT was originally designed for use in the harsh conditions of potash mines.

The SCT-40 has an encapsulated circuit board which resists failures due to moisture, dust and vibration.

SCT telephones are standard with an encapsulated circuit board which resists failures due to moisture, dust and vibration.

# PERIPHERAL DEVICES

Guytel provides for your peripheral device needs, for products such as ringer's, strobes, teller recorders, handset amplifiers, and digital interface.

An example of the type of product Guytel could provide is shown in the picture right: Krown's Amplified Ringer with Strobe light monitors your phone line, alerting you of an incoming call with an amplified ringer of up to 120 dB, and bright flashing strobe light. A real attention getter!

## TOOLS

Guytel provides a wide array of tools for your speciality telephonic needs. Examples of such types of tools include:

- Punch tool
- Butt Set
- Wire strippers
- Toners
- Testers
